

## **ATTACHMENT A - State of Hawaii, Conditions for Wildlife Control/Nuisance Permits**

### **Authority:**

Authority to issue Wildlife Control Permits and establish conditions for said permits is given under Sections 183-D-21 and 183-D-61, Hawaii Revised Statutes and in accordance with Title 13, Chapters 123 and 124 of the Division of Forestry and Wildlife Rules. Authority to issue wildlife permits is granted to the Board of Land and Natural Resources or its authorized representative.

### **General Conditions:**

All Wildlife Control Permits are subject to the following conditions:

- A. This permit is non-transferable or assignable; a copy must be carried by the permittee(s) while engaged in activities permitted under this permit.
- B. No such bird or mammal shall be killed under this permit except when committing or about to commit injury to such crop or cause a nuisance.
- C. It is mutually understood that this permit does not by implication mean that the Board of Land and Natural Resources has extended authorization to the permittee(s) to (a) use any method to destroy the above species of birds or mammals if it be in violation of any State or Federal laws or County ordinances or (b) enter upon lands not under its control.
- D. This permit does not in any way make the Board of Land and Natural Resources of the State of Hawaii liable for any claims of personal injury or property damage to the permittee(s) or his (their) party which may occur while engaged in activities permitted under this permit; further the permittee(s) agree(s) to hold the State harmless against any claim of personal injury, death or property damage resulting from the activities of the permittee(s) or anyone assisting the permittee(s).
- E. The primary permittee(s) hereunder shall submit a report of the number of each species of bird or mammal destroyed to the Division of Forestry and Wildlife located at 1151 Punchbowl Street, Honolulu, Hawaii 96813 on a monthly basis, no later than the 10<sup>th</sup> day of the month following. Failure to report shall be cause for revocation of this permit.
- F. This permit is valid for species protected by federal law only if accompanied by proper Federal permit.
- G. The primary permittee(s) shall be directly responsible and accountable for all activities under this permit.
- H. All persons whose names are listed in Attachment B, which is attached here to and made a part of this permit, have read this permit and acknowledge the understanding and agreement to abide by the conditions by signing (affixing his or her signature) in the space provided on the original and duplicate copies.
- I. Any persons violating any of the conditions stipulated under this permit shall be subject to the penalty provisions provided by law. Further, any infraction of this permit may be cause for revocation of this permit and denial of future permits.
- J. Chemicals shall be used only after proper clearance has been obtained from the State Department

of Agriculture and in accordance with product label instructions.

- K. The Division of Conservation and Resources Enforcement (phone: 643-3567) shall be notified of the proposed control schedule.
- L. Every effort shall be made to recover and dispose of affected birds and/or game mammals.
- M. Permittee must obtain police clearance if discharging firearms in restricted areas.
- N. Signs asking residents, guests, patrols, employees, and others to refrain from feeding the birds shall be conspicuously placed, maintained, and enforced.
- O. Permits will be revoked if it has been determined by the Department of Agriculture that the product is used in a manner that is inconsistent with the directions on the label.
